GET DRING MOBILE ART EVENT 14TH & 15TH OCTOBER '09

About Mike and GDM

Welcome to the Get Dring Mobile art auction, this event is being held as we are currently attempting to raise £75,000 to purchase Michael Dring a fully modified vehicle that Mike can drive unassisted.

Mike was 23 years old when he broke his neck in a road traffic accident, resulting in paralysis from the upper chest down – medically he is classified as having a complete Spinal Cord Injury (SCI) resulting in Tetraplegia (level C6). Following the accident Mike underwent surgery to fix the injury and was then transferred to the Duke of Cornwall Spinal Unit in Salisbury. It was here that Michael spent the next year undergoing extensive rehabilitation.

Mike now lives in a fully adapted bungalow and lives life to the fullest. Running a successful on-line art gallery has seen Mike become an established member of the Bristol graffiti circuit and beyond, knowing many of the artists that have so generously donated their work to make this event possible.

As Mike is unable to transfer himself from his chair without the aid of a hoist, he has to stay in his wheelchair when traveling. He currently owns a van that has been adapted with a ramp so that he can enter the vehicle, but needs somebody to drive him.

The high price of the vehicle that Mike needs is largely due to the specialist equipment that he requires to enable him to operate it, safely and unassisted. These are items such as a fully automatic, remote control, hydraulic lift and door system, an automatic wheelchair clamping and safety belt device and full hand controls, as Mike has very limited dexterity in his hands.

You can find out more about the events that we have held so far and our future progress at our blog at <http://getdringmobile.wordpress.com> and you can find us on facebook.

The Event

There is plenty of opportunity for all visitors to help us reach our target.

Firstly a chance to win having your portrait painted by Bristol based artist Vincent Brown. Vincent is a multi award winning artist who produces figurative art relating to the human form, predominately the painted portrait. His work has won him much acclaim and has been exhibited at some of the most prestigious portrait exhibitions in recent years, including the BP Portrait Awards and the Royal Society of Portrait Painters. He has examples of his work on show here, tickets cost £5.00 and are available to buy until 6pm on the 15th October, shortly after this Vincent will draw the winning ticket himself.

Please note that the artist will undertake the painting of the prize winners portrait at such a time when no paid commission work is being undertaken. Portraits can take up to 6 months to complete once started.

As part of the exhibition there will also be a 'Mystery Postcard' sale. Artists from all across the world have donated small postcard size work (A5) 15 x 21 cm, the work is signed on the reverse so that the artist remains anonymous until the work is purchased. All of the pieces will be sold over the two day event at a cost of £50.00 each, but could be worth a lot lot more.

From 4pm on the 15th there will be live painting by some Britain's best known graffiti artists. Here is the line up - Inkie, Mr Jago, Eelus, Lokey, Felix, Xenz, Paris, Vermin, Boswell, Dora and Milk -

pretty awesome don't you think and finally from 7pm the auction itself will commence. Please do not forget to register if you wish to bid, this can be done at registration / payment tables at the entrance.

Curry will be served throughout the evening and there will be a well stocked bar and live music. Donation boxes will be located around the space so please give generously, and have a great time.
